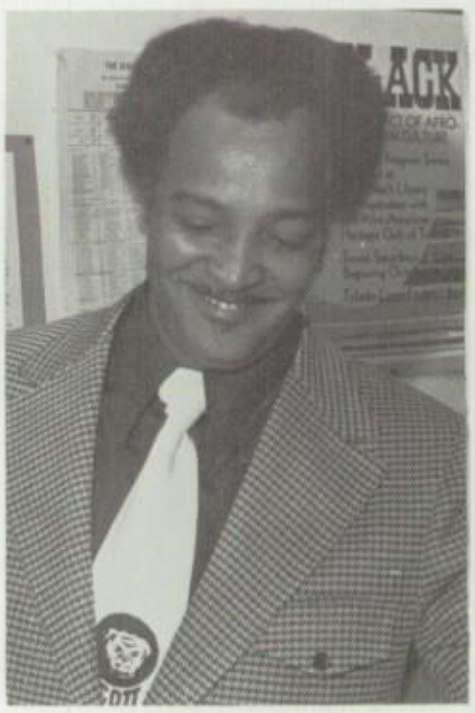
Mr. Flute Rice, Principal



It is traditional to congratulate the Senior Class on your progress thus far. Instead of following this tradition and giving a brief message to the class as a whole, I would prefer to direct my thoughts to each of you individually through this brief message. If I had the opportunity to talk to each of you individually this is what I would say: Who are you? I would like this kind of response from each of you: I am a proud individual with a mission in life. I am constantly asking myself, who are the Presidents, the Congressmen, the Mayors, the Lawyers, the Engineers, Architects, Doctors, Teachers. When you start asking yourselves this question and responding in this manner, the important question is not what the future holds for you but what you hold for the future.

Do you truly understand what I have just stated to you? If so, your next response to me is that I must continue to work seeking knowledge. That's today's challenge to its youth. *Knowledge is an instrument*—it devises its being from those who possess it. *Knowledge is truth*—learning, then provides the Key by which the doors may be opened on ignorance, superstitions, fears, etc. *Knowledge is power*—those who have Knowledge have power to make wise decisions, advance new ideas, conquer the world. *Knowledge is responsibility*—for on the shoulders of the learned individual falls the burden of using, staring and increasing the fund of facts. Knowledge is fact. The learning process is not limited to books and academic things, but broadens itself out into each field of endeavor into every phase of living. Knowledge although an end on itself is meant to be used. Without constant use it grows dull and counts little.

Congratulations on being who you are, a unique human being capable of making a special contribution to your community, your race, to your nation and to the world. Congratulations on being fortunate enough to have administrators, teachers and parents who care deeply about you. Best of luck to each of you in the future and May God Bless.

HER MAJESTY
Homecoming Queen
Jaqueline Walton

"Without peace and understanding, love will cease to exist in the mind, soul, body and heart. Without love man cannot survive, so in every man there exists some sort of peace and understanding. Search for your brother's inner soul and find his own unique kind of love. In the process of doing so, you might find love of your own hidden away that needs to be shared.—Kila-Katu (Love is everything)."

In 1972 the Choir enjoyed doing skits such as scenes from "Porgy and Bess" for Gunckel and Fulton schools and Mary Manse College. Audience response to their performance for the Jewish Sisterhood Tea at the Commodore Perry was particularly gratifying.

The Choir was contributor to the 1972-73 Homecoming Coronation. Their choral touches were added to the Black History Week here at Scott and to the 1973 Black History Program at the Toledo Board of Education followed with a concert at Braden Church. A performance was given for Black Life-Lines at TV-Channel 30.

The 1973 season had a great start with the performance of Choral Music for Channel 30 and radio station WTTO. This 75 member Choir has been separated into ensembles and have performed 3 concerts in 1 day. Singing is their vocation; they do it well.

"Jericho Jim Crow" a musical skit was done on March 22, in conjunction with the Dramatic Arts Department.

If you have never heard the Choir, you missed a great presentation at the Peristyle. The Choir will be giving their annual May Festival Concert as a finale for their activities.

Symphonic Choir members perform in the play "Jerico-Jim Crow".

Varsity Football Team '72-'73

On Friday, September 8, the Scott Bulldogs came of age by defeating a fine Canton team 24-0. For that victory all the practice and sweat was worth it. The following week we faced our ever tough enemy Libbey. They gave us quite a scrap. But in the end the Bulldogs prevailed by a score of 34-7.

Our third game was a physical one, with mighty Alliance. With a combination of sure guts and determination we came from behind to win, going away 20-15. Our fourth game was the closest all year, 6-0 over Macomber. Our next game, we played so bad that we stunk up the field at Start. We produced 28 points against the Spartan's 14. They were tough in the first half.

At DeVilbiss relying on some skill and luck we squeaked by 7-6. Weak offense almost cost us the game.

At Central we won on a spectacular catch by Caven Neal, with two minutes to go in the game. Overall our defense and offense was very good. The score ended in our favor 14-13.

Woodward our eighth game of the season and our only city loss was a tragedy. It was also our Homecoming Game. The Bulldogs simply were not ready to handle a fired up Polar Bear Team. Scott left the field at the short end of a 21-7 score.

At Cleveland St. Joseph we won in the last 16 seconds on a blocked punt, which was returned by Keith Johnson for a touchdown.

The Bulldogs were ranked as the top Class AAA team in Northwest Ohio, thereby gaining the right to represent this region in the first State football semi-finals at Ohio State. Our opponent, Warren-Western Reserve, went on to win the State championship the following week. Many experts rated Scott as an underdog against the Warren Raiders. The swift Bulldog attack stunned the Warren fans with two quick touchdowns. Scott stopped the Raiders running game cold and dominated the first two quarters of play. Our gridders left the field with a half-time advantage of 15 to 8. Scott played a remarkably good game with few mistakes. The third quarter was a scoreless defensive battle. In the last quarter, the Raiders took advantage of a short Scott punt to score the winning touchdown and a field goal. A bruised and battered defense could not keep Western Reserve from scoring an additional time to put the game on ice.

Five days later Scott faced Cardinal Stritch, Blue Division leader, for the City League Championship. The mental letdown after the State game and numerous injuries suffered in that game kept the Bulldogs from performing with their usual aggressive zeal. A close game on a muddy field described this Shoe Bowl contest. A lucky Joe Brown tackle and Scott recovery near the Stritch goal line allowed the Bulldogs to seize the lead in the closing moments of the game.

The city championship trophy stays at Scott for the second year in a row. We honor our football heroes for the success and acclaim they have earned.

The Junior Varsity football team ended the season with a four win, no loss, and one tie record which awarded them the red division championship. They were coached by former Scott football standout, Johnny Hutton. The outstanding offensive players were Joe Glaspie, Melvin Coogler, and Glynn Burrell. The defense was the key factor contributing to our championship. Coach Hutton feels that the defensive unit was the best in the city. The outstanding defensive players were Melvin Daniels, William Carswell, Kalvin Triplett and Larry Smith.

In the 1973 football season, this year's Scott Junior Varsity Team expects to represent Toledo both in the State Championship game and as Shoe Bowl Champions.

The Scott Freshman Football team upheld the Bulldogs winning tradition by using brute strength and talent in achieving a perfect 5-0 season record. The highlight of the season was a victory over Central. Teamwork, discipline, and spirit characterized the Bullpups. Tremendous bench strength allowed almost every player to see action in almost every game. Led by Owen Moor, Lonzel Pryor, Tony Thomas, Randy Pitts, Clay Adam, Keith Lyons, Evory Clark and Alvin Morehead, these Bullpups were consistent performers throughout the season and contributed to the team's success. Scott can count on these players and the rest of the team to maintain the Bulldogs tradition of winning football. One last word to the public, all Bulldog opponents (LOOK OUT) next year.

The Scott High Junior Varsity Team won the city championship for the second consecutive year. Under the leadership of coach Ben Williams, Scott High School Junior Varsity Basketball Teams have won 44 out of their last 45 games.

This year the young Bulldogs finished with a 16-1 record. Our lone loss came at the hands of a good Rogers team, 51-46. This is the same team that we defeated for the city Championship. Willie Riles scored 24 points and grabbed off 7 rebounds to lead an outstanding team effort against Rogers in the championship game.

The strong point of this years team was its outstanding nose to nose defense. For example, they held Canton and Sandusky scoreless in each first quarter of play. We congratulate these young Bulldogs for winning the championship and for displaying outstanding character all season long.

Row two: Left to Right, Keith Dering, Dwayne Tolly, Donald Collins, Greg Pope, Lias Rutledge, Tommie Williams, Victor Crender, Ben Brown, Julius Brazzel, Coach Mr. Issac Floyd.

This year's freshman team had a 11-3 season record losing only to Central, St. John and Libbey. No one person was depended upon as we got great support from the first seven ball players. These players included Keith Riley, Greg Pope, Tom Williams, Donald Collins, Keith Derring, Eric Wright, Evor Clark. The most consistant player on the team was Tim Williams. With his offensive performance along with his defensive work we could not have had this much success. The only other comment that can be made as a coach is that these players will be great as they become seniors and I do mean great!

Although the Cross Country Team did not have its best year, it was a good year for individual improvement. With sophomores returning, next year should be more rewarding to the team. The most improved award went to Joe Chambers. The most valuable award went to Edward Porche. The most dependable award went to Leoda Thomas. Remember, cross country is guts and the determination of a man to excell.

This year Scott had a very young team. We won two dual meets this year, the first dual meets won by Scott in four years. The wins were over Macomber and Libbey.

Leroy Moses, a first year wrestler, was 4th in the city tournament and 2nd in the district tournament. Lucean Harris was 4th in the city tournament. The team was very disappointed in sending only one man to the district tournament, but the team has a lot to look forward to in the coming years.

Returning to next years team is Randy Pitt, Doug Adkins, Rick McKisic, Henry Dixon, Myron Dixon, George Walker, Clay Adams, Leon Rice, Lee Whitely, Greg Mathis, Bobby Cathcart, and Darryl Fordham. Seniors* on the team were tri-captains Lucean Harris, Greg Hassell and Al Easterly. Other seniors were Leroy Moses, Brady Jackson, Chuck Ross and Don Adams.

With all the returning men coach Martin predicts that Scott will have a championship team in the coming years.

Girls Track Team Dominates City League

SCOTT GIRLS' TRACK TEAM 1972

The past season, Scott girls track team completed the most successful season of girls city league track. We remain undefeated in dual and tri-meets. We walked off with first place in the Scott-Rogers relays for the second year in a row. We were the first track team in the history of Scott to win the Blade Relays.

The highlight of the season was when we outclassed the field and won the city championship by 20 points.

Outstanding performances were turned in by: Luzon Moore, Ardythe Gooden, Sheila Fisher, Jeanette Snipes, Brenda Hall, Marguerite Morrison, Ramelle Smith, and Brenda Morehead.

Our City champion in the 100, 220, 50 yd. dashes, and long jump, all new records, Brenda (Thunderchicken) Morehead, freshman, broke three records in the Blade Relays and was voted the outstanding performer. She became the first athlete, male or female, to win the city championship in four events all in recor dtime. Brenda scored 24 points by her performance alone.

During the summer in the Women's Junior Nationals held in Missouri, Brenda Morehead became the first Scott athlete to win a national championship in the long jump. She was also 2nd in the 100 and 220 yd. dashes. Later in the season she barely missed qualifying for the Olympic trials by ¼ of an inch.

WORK . . . IS A MAN'S GREAT FUNCTION

He is nothing, he can do nothing, he can achieve nothing, fulfill nothing, without WORKING.
If you are poor—WORK
If you are rich continue WORKING!
If you are burdened with seemingly unfair responsibilites—WORK!
If you are happy, keep right on WORKING!
Idleness gives room for doubts and fears.
If disappointments come—WORK.
If your health is threatened—WORK.
When faith falters—WORK!
When dreams are shattered and hope seems dead—WORK!
Work as if your life were in peril—It really is!
No matter what ails you—WORK!
WORK faithfully—WORK WITH FAITH
